## SLIMFLEX

LED Tape Light

SF

## SLIMFLEX SF :

The SlimFlex SF series high brightness product is a simple to use LED light strip. Anywhere that tape can go, so can the illuminFx LED SlimFlex line. Use under banisters, around stairs, under counters, as cove lighting, or as general accent lighting for almost any application. To make it as easy to use in all situations, SlimFlex is CUTTABLE. The single color strip is cuttable every 2" and the RGB strip is cuttable every 4".

- Long life epistar LED
