SATURN FL5 :

The SATURN FL5 Series of LED Fountain Fixtures are specifically designed to be used on outdoor fountains. The FL5, with its flanged design makes it a great solution for dry pad fountains. Imbed it in the concrete bed around the fountain jet to illuminate the stream of water.

- 5-year warranty
- Long life : 30,000 hours | Power Factor : ≥ 0.9
- Internal integrated DMX for easy wiring and installation
