TAMPA

36/48W LED

TP36
48

TAMPA 36/48W :

The TAMPA 36/48 watt line voltage landscape stake fixture is a high powered LED solution for almost any outdoor landscape lighting project. Use it to light up building facades, trees, retaining walls, and columns. Installation is quick and easy and the COB LED provides amazingly high lumen output from a small energy efficient lighting fixture.

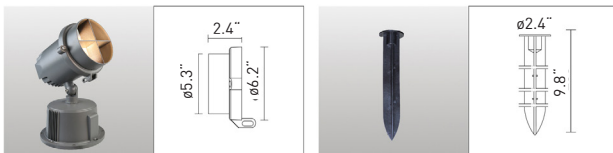

- 5-year warranty
- Long life : 50,000 hours

SPECIFICATIONS

Housing	12" Die-cast aluminum. LM-6
Gasket	Silicon & rubber
Glass	Tempered Glass
Reflector	Anodized aluminum 1090
Surface Coat	AkzoNobel powder coating
Driver	Constant current BridgeLux COB LED
Input Voltage	100-277VAC
Operating Temp	-20°C-45°C
Color Temps	3000K / 4000K / 5000K
Beam Angle	15° / 30° / 45°

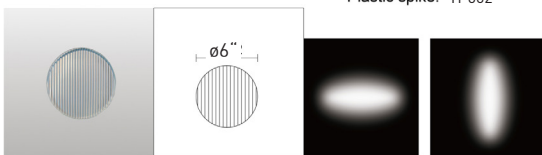

Lumens	36W	3000K - 3370 lm
		5000K - 4070 lm
	48W	3000K - 4240 lm
		5000K - 5150 lm

ACCESSORIES

Glare shield: TP320

Aluminum spike: TP603
Plastic spike: TP602
