Dual Smart Plug

## GEMINI GM7

The updated Gen2 Gemini smart products take your control capabilities to the next level.

Turn the device on or off by pushing the on/off button, controlling with the SmartLife app on your smartphone or tablet, or by using voice control via most Smart Home interfaces like Amazon Alexa, Google Home, Samsung Smart Things, and more.

Use the app to fully automate scheduling and time functions, including astronomic control, weather based, or other criteria, and integrate with other automation systems using IFTTT
