

GEMINIv2

# Bluetooth Mesh Repeater

BMR01

Bluetooth®

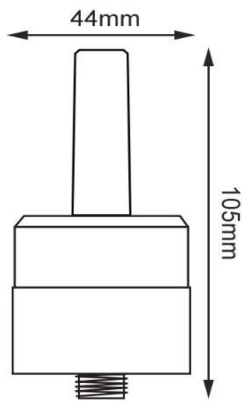

## REPEATER:

The GEMINI Bluetooth Mesh Repeater boosts the Bluetooth signal on a project to help penetrate and provide Bluetooth signal to lamps and devices shielded by metals and other materials. Consider placing one BMR01 Repeater every 50 feet.

- iOS (10.0 and above) and Android (4.4.4 and above) compatible
- Works on a Bluetooth MESH network

### DIMENSIONS
